

## Project Evaluation Meeting

12/06/2024

The consortium leaders and experts of the SKUP İzmir Project visited Dr. Tolga Çilingir, the Head of the İzmir Metropolitan Municipality Transportation Department, for an introductory meeting. During the visit, an update was provided on the project's progress. The meeting also included a presentation to Dr. Çilingir and the İzmir Metropolitan Municipality team on the ongoing and upcoming activities being developed as part of the project.
