

Project Monitoring Committee Meeting 27/07/2024

The regular Project Monitoring Committee Meeting under the İzmir Sustainable Urban Mobility Plan (SUMP İzmir) was held on August 27, 2024, at the İzmir İzQ Entrepreneurship Center. The eighth session of the meeting was organized to track progress according to the project's timeline, objectives, and contractual requirements, and to provide guidance for the upcoming period.

The meeting was attended by İzmir Metropolitan Municipality Presidential Advisor Assoc. Prof. Dr. Yalçın Alver, representing the Final Beneficiary, Dr. Tolga Çilingir, Head of the Transportation Department at İzmir Metropolitan Municipality, and the technical coordination team of the SUMP İzmir Project. Dr. Tijen İğci, Head of the EU Investment Department at the Ministry of Transport and Infrastructure, represented the Contracting Authority, while Dr. Göktuğ Kara, Transport Sector Manager at the EU Delegation, represented the European Union. Additional attendees included representatives from the Ministry of Transport and Infrastructure, Menno Menist, Director of Panteia (the Consortium Leader), and other representatives from the Consortium Partners.

During the meeting, discussions focused on the project timeline and planning for the next stages, including the 2nd Stakeholder Engagement Workshop and the 2024 European Mobility Week. İzmir Metropolitan Municipality, the European Union Delegation, and the Contracting Authority expressed their satisfaction with the recent efforts and contributions of Prof. Dr. Ela Babalık, the SUMP İzmir Project Team Leader.
