

Car-Free City Day 22/09/2024

As part of European Mobility Week, Car-Free City Day was celebrated on Bornova Süvari Street with a vibrant array of events. From panels and workshops to sports activities and live music performances, the day brought participants together in shared public spaces to enjoy the spirit of living the city together.

Citizens gathered to reclaim the streets, emphasizing the importance of healthier, more sustainable, and more livable cities. The event highlighted the potential of urban spaces free from traffic, where community life and interaction thrive.

Let's keep moving forward together in shared public spaces [#Let'sLiveTheCityTogether!](#)
